

III Swann-Morton® Blades

We are proud to carry the highest-quality lines of blades and handles

These are available in sterile and non-sterile versions, in stainless steel (SS) as well as carbon steel (CS).

FEATURES

- 200% Visual inspection
- High surface finish
- Packaged with VCI paper to protect the blade from corrosion
- Cellophane overwrap
- Strongest/smallest foil package available
- CE mark
- Narrow grinding angle resulting in increased initial keenness
- Largest range
